Reporting Relationship	The person appointed to this position will report to the Deputy Director.
Purpose of the Post	<p>The Operations Senior Manager - Care will be a part of the senior operations management team for the campus. This role holder will work collaboratively and seamlessly with the Senior Operations Manager – Services and Integration for Young People.</p> <p>Living the Oberstown values, The Operations Senior Manager - Care must have the energy, passion and ambition to ensure that Oberstown provides the highest possible International standards of care for young people. In this role, the post holder will also be required to continue to develop the people, the processes, procedures and capability across the campus to help meet the best international standards in the delivery of care on the campus.</p> <p>In order to deliver a care model, through the CEHOP framework, that strives to uphold the very best standards for young people in detention, the Operations Senior Manager - Care will be responsible for the management, leadership and development of a cohesive, focused and effective group of Unit and Site Managers in the delivery of high quality services. The Operations Senior Manager - Care will ensure that the policies, programmes, standards and methods applicable to the delivery of services within the units are consistent with best practice, improved outcomes for young people through external regulatory requirements, which are subject to ongoing review and improvement.</p> <p>Possessing the energy, passion and enthusiasm of a dynamic leader, the Operation Senior Manager- Care, will have direct line management of Unit and Site Managers and will be responsible for supporting Unit and Site Managers to grow their leadership capability, to identify practical solutions to complex and diverse issues, in order to implement best practices at all levels of the organisation. Ensuring that the frontline teams are ready for 'everyday auditability' will be a key function of this role. This will require a continuous focus on standards and regular recording/reporting of these standards to the Senior Leadership team and Board of Management. The post holder will work collaboratively with the Senior Leadership Team to develop, implement, maintain and enhance the organisation's performance management systems, guidelines and practices to help align colleagues with the strategic goals of the organisation, providing coaching and assistance as required in line with best practice performance management.</p>

	<p>The Operations Senior Manager - Care will work support, supervise, develop and empower staff across the units in developing and implementing restorative work practices in a challenging environment.</p> <p>Oberstown has launched its strategy for 2022 – 2026 with some clear and ambitious objectives within the care area and with considerable focus on quality assurance.</p> <p>Oberstown is now seeking to fill this post in order to deliver on key elements of the strategy.</p>
<p>Principal Duties and Responsibilities</p>	<p>Principal Duties and Responsibilities</p> <p>Accountability for a designated department(s) of the Campus as assigned by the Director & Deputy Director, which may include:</p> <ul style="list-style-type: none"> • Provide visible, day to day leadership and direction on a busy campus ensuring that we are constantly striving for better and leading positively by example and through our values. • Seek, develop and implement better solutions through a continuous improvement approach that inspires other to develop and learn. • Ensure that the units collectively move toward and maintenance of a readiness for audits at any time. An ‘everyday auditability’ of the units will need to be an embedded and lived experience in the units. • Drive continuous and real improvement in the processes and procedures to ensure optimal operational management on a daily basis. Ensure, through the unit and site managers, that the frontline care staff are sufficiently equipped and fit for purpose at all times. • Maintains budgetary responsibility and accountability for ensuring that the delegated services of the post operate within the agreed budgetary levels and maintains expenditure control within agreed limits ensuring compliance with all financial regulation. • Strive towards 100% compliance with all of our rules and look at new requirements in a pro-active way. • Within the care area, drive the provision of quality assurance for record keeping and report writing in relation to young people. This will involve regular auditing of our CMS system to ensure quality input and reporting. • Provide monitoring, oversight and leadership in the area of restrictive practice; ensuring best practice and adherence to procedures as set out by the Children’s Rights Policy Framework. • Work with HR to ensure a workforce planning and Talent strategy approach to resourcing the units. This will include an annual recruitment plan. • Within operations, ensure systems of staff cover are applied in line with standard norms and budgetary requirements. • Develop systems in conjunction with Unit/Site Managers that provide quality assurance regarding the delivery of excellence to our young people. • Ensure that recommendations falling out of care audits and inspections are actioned and implemented.
